

Australian Alpaca  
ASSOCIATION

## **Are you entering a show? There are new Showing rules and this checklist will assist you!**

- Print out a copy of the Showing Rules for your reference available on the AAA Website
- Check your alpaca's front teeth are aligned with the bottom pad
- Check your alpaca has a straight tail with no kinks
- Check your alpaca's ears are not banana shaped or folded in
- Check your alpaca's toenails are tidy and not overgrown
- If male, check that he has two testicles
- Check the IAR tag is correct
- Check that there are no lice on your alpaca
- Check your alpaca has good confirmation
- Check your alpaca's legs are consistent with the showing rules, without faults
